

Code of Conduct

The Panhandle SEEP Code of Conduct is in place to ensure those who pursue the certification find value in their effort. Certification is a privilege granted to qualified individuals meeting the requirements. Certification also carries with it the responsibility maintaining the value and integrity of the program by honorable representing their profession.

As a function of maintaining my SEEP certification, I agree to the following:

1. I will work to keep myself current and informed of new concepts in storm water and erosion-sediment control and abreast of changing regulations.
2. I will conduct my activities with honesty and integrity.
3. I will be diligent in my efforts to educate my clients on the benefits of storm water, erosion and sediment controls.
4. I will endeavor to assist others in my profession by relaying accurate and true information.
5. I will engage in acts that will minimize the impacts to and protect our water resources.
6. I will represent my SEEP certification accurately; as a voluntary educational accomplishment and commitment to continued learning in the field of storm water, erosion and sediment control.
